Students' Feedback on Curriculum

Total No. of Respondents: 283 (2020 Batch)

**Content of the Students' Feedback on Curriculum:**

Sl. No.	Questionnaire	Action Taken by the college	Remarks
1	Is the syllabus relevant to the course?	The survey indicates 95%-96% of the students agree that the syllabus is relevant to the course. In addition, the institution stimulates the students' learning experiences beyond the realm of syllabuses by engaging them in co-curricular activities, i.e., group discussion, allowing them to hold responsibilities, organizing awareness programs, etc.	-
2	Was the course interesting?	The college has taken various attractive measures to make curriculum delivery more productive and enjoyable for the students. For example, the institution has introduced participatory learning through study tours, movie shows, and student seminars, procuring more Laptops and projectors to make ITC tools available for teachers. In addition, it has helped students engage actively during class and encouraged them to revisit the lessons taught.	-
3	Did the course curriculum intellectually motivate you?	87.98% - 91.51% agree that the course curriculum intellectually motivates them. Despite this, the institution has taken steps to stimulate students intellectually by engaging them in participatory and experiential learning through various college activities.	-
4	Did the subject/course help in developing your personality?	90.45% - 92.57% agree that the subject/course help in developing your personality. The co-curricular activities and motivational programs are the regular activities of the college to enhance the student's personality development. The NCC & NSS units are the value-added programs in place in the institution to develop for the overall development of the students.	-
5	Are the reference books available in the library according to the course?	67.84% - 70.67% agree with the availability of books in the library according to the course. In addition to an existing collection of books, the institution purchases references, textbooks, magazines, and journals to cater to the needs of the students and teachers every year.	-
6	Is the syllabus relating to the course heavy?	62.54% - 66.43% agrees that the course is heavy	Action to be taken by NEHU, Shillong
7	Is there need to include skill based content in curent syllabus?	67.13% - 74.20% agrees that the skilled based content be included in the syllabus.	Action to be taken by NEHU, Shillong
8	Does the syllabus create any interest to pursue post graduation/research in particular subject?	81.27% - 83.39% of students in the survey agree that the syllabus creates interest in pursuing post-graduation/research in a particular subject.
