Organizing Career Counselling for students

From Principal's Desk

The whole world, including India is facing unprecedented and extraordinary hard times due to the global pandemic of the COVID-19. All educational institutions are in complete closure due to national lockdown, which has totally disrupted our age-old routine of classroom teaching and direct teacher-student interface. The outbreak of this disease has caused multiple physical and psychological stress and anxiety for all. Nevertheless, in our commitment to imparting education, we continue our academic activities by connecting and communicating with students through online classes with available ICT.

Globalisation has forced the higher education into a new world, a world of constant change, shaped by a increasingly integrated world economy, technology and international knowledge network. This changing scenario calls for creation of a knowledge-based society, stimulating cooperation, competitiveness, productivity for a progressive and humane social order. Opportunities for promotion of knowledge, skills, and self-employment are also growing manifold for qualified youth worldwide with higher education.

Williamnagar Government College, the premier educational institution of the district of East Garo Hills has been striving to offer best possible learning opportunities in all curricular, co-curricular and extra-curricular fields and to promote enthusiasm to gain knowledge and skill required for well-being of self and the society as a whole.

With optimistic approach to challenges we are facing today, while ensuring health, safety and security of all stakeholders, to facilitate all the aspiring students, the institution offers admission into the Three Year Honours Degree Course in Arts, for the session 2020-21. Looking forward to work constructively with all the constituents of the college as a team for the brighter future of the student community and to inspire them to be responsible citizens of tomorrow.

VISION

To provide college education within reach of the common man and woman.

MISSION

To develop a dynamic community of lifelong learners and leaders who celebrate the interconnections among individuals and are disciplined in the pursuit of improving society and human condition.

THE COLLEGE EMBLEM & MOTTO

The college emblem holds a wealth of meaning. The open book indicates learning, knowledge and education, which is the primary objective of the institution. The blazing torch denotes enlightenment, gained from the education. The figures of two person holding the torch, indicates the learners of the institution who worked in unison for the enlightenment and prosperity of the institution and the society, at large and all the while, beckoning everyone to light the torch of knowledge. Below the open book is inscribed on a ribbon, "LET US BECOME ENLIGHTENED", which is the motto of the college. These are surrounded by a circular band, in which is inscribed the name of the college.

PROFILE OF THE COLLEGE

Williamnagar Government College (previously known as Williamnagar College) was started in 2000, out of the acute necessity of a good educational institution for higher education within the reach of the common people in East Garo Hills, by the combined effort of the general public, senior citizens, NGO's and student leaders. A Governing Body consisting of members along with the Principal and eight Teachers helped it run till 2009 which was later taken over by the government on the 18th February, 2009.

The main objective of the institution is to provide all aspiring students opportunities to pursue quality education and learn to become responsible and productive citizens.
