Cyber Crimes and Cyber Security

Because of a rapid growing online user base and as per the recent report dated May 30, 2022 2:25Pm IST, the US Federal Bureau of Investigation (FBI) recently released a report related to the victims of Cybercrimes in the world, unfortunately, India ranks 4th on the list. Everybody is using the internet, the new generation is growing up with computers and conventional crimes like forgery, extortion, kidnapping, hacking, etc. are being committed with the help of computers. Therefore, there is an urgent need to create an awareness about this issue.
