**DEPARTMENT OF ENGLISH
WILLIAMNAGAR GOVERNMENT COLLEGE**

Mentoring Report for the Academic Session 2023.

The Department of English conducts mentor mentee meetings for the holistic development of the students. The goal of mentoring is to minimize drop-out rates among students and to identify slow learners and advanced learners and guide them according to their needs. Each mentor is entrusted with a batch of 20-25 students and each student is under the guidance of the mentor. The mentor conducts at least two or three meetings every month and engages in personal interactions to understand the problems and weaknesses of their mentees. All the mentors keep a confidential data about their mentees in the Log Book which records a report of meetings and mentoring done by the mentors. In the mentoring meeting various queries, problems and issues faced by the students both in academic and personal front are discussed and counselling and guidance are given to those students who need special attention. The mentor, through interactions with their mentees identifies the weaknesses and problems of their mentees and offers moral support and guidance to deal and cope with both personal and academic struggles.
