Report on Mentor-Mentee conducted by the Department of History for Odd Semester for the Academic Session 2023

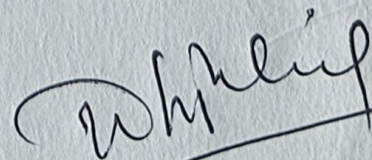

The Department of History offers a Mentor-Mentee program to aid students in both their academic and personal development. Each Mentors were allotted a certain number of mentee from each semester. The Department's primary goal is not only to identify slow learners from among the students and guide them accordingly but also to promote their overall development in the academic and social domain.

General issue Raised

The majority of the mentees from the department experienced financial hardship. Some of the pupils are unable to afford supplies like notebooks and textbooks. Apart from this, the students face problems like trouble in grasping particular topics covered in the curriculum Personal problems like health problems, trouble memorizing the material given, and trouble comprehending and communicating in English are also expressed

Action taken by the Mentor.

It was suggested to students with financial difficulties to use library materials to reduce costs. Students having trouble grasping particular topics were taught again. Apart from giving notes, pictures were also shown in class in order to make the students understand the topic more clearly. They were also provided with other reading materials. In addition, previous year's question papers were given and discussed in class as well. Students with weak recall or memorizing power were instructed to maintain a regular study schedule. Personal matters like health difficulties were discussed and counseling was provided. Recommendation was also made to students who were having trouble understanding English to read more books to expand their vocabulary slow learners students from less affluent backgrounds received particular attention, them offering extra classes and giving them study materials.

The History department organized a much-awaited picnic at Bansamgre, 25 km away from Williamnagar town. The event was a resounding success, bringing together colleagues from all sections for a day of fun, relaxation, and camaraderie.

The day began with a scenic drive to the picturesque picnic spot, where attendees were greeted by a vibrant atmosphere filled with laughter and excitement. The Students had meticulously planned a variety of engaging activities for all students including teachers. They even baked a cake in memory of their last day in College.

A delicious spread of food and beverages was laid out, catering to diverse tastes. The culinary delights, coupled with the refreshing ambiance, created a perfect setting for students to bond over shared meals and engaging conversations.

The picnic concluded with a sense of fulfillment and renewed energy. The event not only provided a much-needed break from the daily routine but also fostered a stronger sense of teamwork and camaraderie within the department.

Report on Mentor-Mentee Program for History Department

Introduction

The Department of History offers a Mentor-Mentee program with an aim to foster academic growth, personal development, and a strong sense of community among students. This program pairs experienced faculty members with undergraduate students to provide guidance, moral support, and encouragement. In addition the Department's identify slow learners from among the students and guide them accordingly in their overall development in the academic and social domain.

Objectives

- **Academic Support:** Assist students in understanding complex historical concepts specially with Historiography paper as it deals with ideas in the writing of History, research methodologies, and writing skills.
- **Career Guidance:** Offer advice on career paths, graduate school applications, and job opportunities in the field of history.
- **Personal Development:** Create a supportive environment for students to discuss personal challenges, set goals, and develop time management skills.
- **Mentorship:** Establish long-lasting relationships between mentors and mentees, promoting a sense of belonging and camaraderie.

Implementation

1. **Mentor-Mentee Pairing:** Mentors and mentees are paired based on shared interests, academic goals, and personality compatibility.
2. **Regular Meetings:** Mentors and mentees meet regularly to discuss academic progress, research projects, and personal concerns.
3. **Activities:** The program organizes various activities, such as workshops, seminars, and field trips, to enhance students' learning experience.

4. **Evaluation:** A formal evaluation process is conducted to assess the effectiveness of the program and gather feedback from both mentors and mentees.

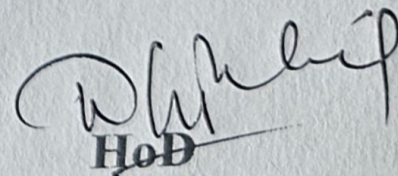

Impact

The Mentor-Mentee Program has had a significant impact on the History Department:

- **Improved Academic Performance:** Mentees have reported increased confidence in their academic abilities and improved grades.
- **Enhanced Career Preparation:** Students have benefited from guidance on internships, research opportunities, and graduate school applications.
- **Stronger Sense of Community:** The program has fostered a supportive and inclusive environment within the department.
- **Personal Growth:** Mentees have developed valuable skills, such as critical thinking, problem-solving, and effective communication.

Conclusion

The Mentor-Mentee Program is a valuable initiative that has contributed to the overall success of the History Department. By providing personalized support and guidance, the program empowers students to reach their full potential.
