**Action taken on IQAC Feedback**

In response to the feedback received, the following actions were taken:

1. A comprehensive study was conducted by the IQAC to assess the current utilization of classroom space and identify areas for improvement.
2. Potential location for more classrooms, departmental libraries, departmental common rooms, faculty and students' toilets etc. were identified including underutilized spaces and areas suitable for renovation or expansion.
3. To enhance teaching and learning experience through the use of technology, the IQAC has proposed to organize Faculty Development Programmes in the College.
4. To install smart board in classrooms and upgradation of ICT facilities in the Institute.
5. As a part of the institutes commitment to providing access to quality academic resources, the Departments and the College Library have proposed to subscribed to a range of books and prominent Journals.
