Students Feedback (Syllabus)
BA-3 & 5th Semester-2023
No. of respondent: 103

Analysis and interpretation:

1. The syllabus of the course has been need-based and has provided adequate knowledge on the subject?

Variable	Grade	No. of Response	%
Strongly Agree		103	31.1%
Agree		103	60.2%
Neutral		103	5%
Disagree		103	2%
Strongly Disagree		103	1%

The above table shows that 31.1% agreed that the teachers have provided adequate and need based knowledge of syllabus, whereas 60.2% of the students are fully satisfied with the syllabus and the 5% respondent are neutral with regard to syllabus being need based. However, there was 1% who considered that syllabus of the course is not need based. Therefore, it can be concluded that the majority of the students agreed that the syllabus of the course is need based.

2. Teachers were well prepared and knowledgeable with course content/lesson they came to teach with

Variable	Grade	No. of Response	%
Strongly Agree		103	24.3%
Agree		103	68%
Neutral		103	4.5%
Disagree		103	2%
Strongly Disagree		103	1%

The above table shows that 24.3% agreed that the teachers have prepared for the class excellently, whereas 68% of the students are highly agreed with the teachers being prepared for the class and 4.5% students are Okayed with the teachers taught in the class. However, there was 1% of students who responded about the teacher not prepared in the class and very poor at all.

Therefore, it can be concluded that the majority of the students agreed that the teachers were fully prepared for the class.

3. The course objectives were realized through the effective delivery of content/topics of curriculum through meaningful teaching learning process

Variable	Grade	No. of Response	%
Strongly Agree		103	27.2%
Agree		103	55.3%
Neutral		103	11.7%
Disagree		103	3%
Strongly Disagree		103	2.8%

The above table shows 27.2% strongly agreed that the course objective was realized through effective delivery of course content whereas 55.3% of the students agreed and felt that course objectives were realized. 11.7% students are neutral about the course objective. However, there are minimal students who felt the course objectives were not realized through the effective delivery of content.

Therefore, it can be concluded that the majority of the students agreed that course objectives were realized through the effective delivery of content/topics of curriculum through meaningful teaching learning process.

4. Teachers used student centric method such as Group Discussion, Participative Learning and Students Presentation for enhancing Learning Experience

Variable	Grade	No. of Response	%
Strongly Agree		102	26.5%
Agree		102	58.8%
Neutral		102	11%
Disagree		102	2%
Strongly Disagree		102	1%

The above table shows that 26.5% agreed that the teachers used student's centric methods towards teaching which can be described as Excellent. Whereas, 58.8% agreed as very good and 11% are of the neutral with regard to teacher's using student's centric method. However, there are minimal responded who disagreed teacher's being student's centric.

Therefore, it can be concluded that the majority of the students agreed that the teachers approach is student's centric for enhancing teaching learning.

10. Overall Teachers have taught me a lesson on how to bring all-round development in myself			
Variable	Grade	No. of Response	%
Strongly Agree		101	25.7%
Agree		101	62.4%
Neutral		101	8%
Disagree		101	2.9%
Strongly Disagree		101	1%

The above table shows that 25.7% students highly agreed that the teachers very much explained and taught me a lesson on how to bring all-round development in myself. 62.4% students opined very good. Whereas, 8% opined in neutral.

Therefore, it can rightly be said that the majority of the students agreed that the teachers explained and Overall Teachers have taught me a lesson on how to bring all-round development in myself.

Findings:

The above analyses have resulted some significant findings presented below:

- ❖ Out of 103 respondents, it was found that 30% students have given highly positive answer. This shows that they have clearly understood the syllabus which is very much helpful in moulding their future career. It was also found that 60% students were highly satisfied with the teacher's communicative skills, teaching methods, discussion and interaction with the students.
- ❖ Students less than 5% have given their neutral views.
- ❖ Very few students less than 1% percent responded that teachers are not prepared and less communicative with the students despite majority of the students responded positively.
- ❖ The reason for negligible negative response and feedback received from the students could be due to

Remedial Measures and Action Taken:

- ❖ Attendance of the students are monitored strictly.
- ❖ For every students mentor are provided to guide them.
- ❖ Besides regular classes extra-curricular activities like exposure trip and movie shows are conducted to the students.
- ❖ Encouraged to attend workshop and seminars conducted in the college as well as outside the college.
