**PROGRAMME SPECIFIC OUTCOMES (FYUG NEP-2020)  
DEPARTMENT OF POLITICAL SCIENCE**

The Undergraduate Programme in Political Science aims to:

<b>PSO</b> POL-100	It aims to introduce the basic concepts, ideas, and theories in Political Science and examine the various perspectives, dimensions and relevance of political theories.
<b>PSO</b> POL-150	The paper focuses on the political processes and the actual functioning of the Indian political system with an emphasis on the role of social and economic processes.
<b>PSO</b> POL-200	Introduces some basic concepts, key theories and International Relations debates.
<b>PSO</b> POL-201	To introduce public administration as a discipline and its changing contours by studying different concepts, principles, dimensions, and theories, ranging from classical to neo-classical and contemporary.
<b>PSO</b> POL-250	To introduce classical traditions in political theory to understand how the great thinkers explained and analyzed political events and problems and the solutions they advocated. The texts are to be interpreted in their historical and philosophical perspectives to understand the universality of the enterprise of political theorizing
<b>PSO</b> POL-251	To understand the dynamics of political systems in the four selected countries- the UK, the USA, Russia and China. It also focuses on the sources, ideological basis, constitutional and legal provisions, and institutional structures of select countries.
<b>PSO</b> POL-252	To understand the historical evolution and socio-economic, political, cultural and global context of Indian Administration. To identify the nature and transformative role of Indian Administration. To comprehend the problems, processes and emerging issues in Indian Administration
<b>PSO</b> POL-253	The paper focuses on an interdisciplinary understanding of certain key concepts in the light of different theoretical frameworks. It explores the interface between politics and society by examining how various social forces work together to change policies and decisions and how political forces influence social phenomena.
<b>PSO</b> POL-300	To understand the emergence and development of socialist political thought from early socialism to revisionism and evolutionary socialism, the contexts of their development, and the problems they are trying to offer solutions to.
<b>PSO</b> POL-301	To focus on the dynamics of Indian democracy - its strengths and limitations, political and social processes that broaden the democratic space and emphasizes on the stresses and strains that Indian democracy has to cope with.
<b>PSO</b> POL-302	To familiarize the students with the political developments in Northeast India from British rule to the post-independent period and to acquire an analytical understanding of the political processes and issues in the region.
<b>PSO</b> POL-350	It introduces a wide span of thinkers and themes that define the modernity of Indian political thought from varied social and temporal contexts.
<b>PSO</b> POL-351	To introduce key concepts and ideas to the study of Feminism and examine major theoretical approaches to Feminism.
<b>PSO</b> POL-352	To examine a comprehensive understanding of Public Policy's basic concepts, models, classifications, and stages. It strives to comprehend the motives behind government actions regarding policies and assesses the role of different entities in shaping and influencing policy.
<b>PSO</b> POL-352	To study the origin, principles, objectives, organs and agencies of the United Nations (UN), its limitations, contributions, and UN reforms.
