Date: 15th February 2024

Location: Streets and Rongrengiri Playground of Williamnagar District

On 15th March 2024, the NCC units of Williamnagar Government College and Loyola College jointly organized a Swachh Bharat Abhiyan campaign, contributing to the nationwide mission to promote cleanliness and environmental sustainability. The event was a resounding success, with active participation from NCC cadets, faculty members, and local residents.

The primary aim of this campaign was to:

Raise awareness about the importance of cleanliness and hygiene among the local community.

NCC cadets divided into smaller groups to clean the main streets of Williamnagar, removing litter, debris, and plastic waste. Special focus was placed on areas around schools, markets, and residential zones.

Cadets interacted with shopkeepers, vendors, and pedestrians to spread awareness about waste segregation, the hazards of plastic pollution, and the importance of personal hygiene.

Posters and banners with impactful messages were displayed.

The streets and playground were visibly cleaner, with waste properly collected and disposed of.

The initiative left a lasting impression on the importance of maintaining cleanliness and protecting the environment.

Conclusion:

The Swachh Bharat Abhiyan campaign organized by the NCC cadets of Williamnagar Government College and Loyola College on 15th February 2024 was a significant step toward promoting cleanliness and environmental consciousness. The collaboration of two institutions not only enhanced the effectiveness of the drive but also inspired others to contribute to the Swachh Bharat mission.
