

## Report on the

### **Inauguration of the E-Cell (Entrepreneurship Cell), Williamnagar Government College**

The Entrepreneurship Cell (E-Cell) under the Entrepreneurship Promotion and Development Program (EPDP) of our Institution has been established in the Institution to serve as a dynamic hub for fostering innovation, creativity, and entrepreneurial spirit among our students. It acts as a catalyst for aspiring entrepreneurs, providing a platform that nurtures their ideas, equips them with the necessary skills, and connects them with resources to transform concepts into viable businesses. Therefore, the establishment of an E-Cell is instrumental in shaping a vibrant entrepreneurial ecosystem within the academic environment.

The E-Cell of the Institution was inaugurated on the 8<sup>th</sup> February, 2024 by Shri. Conrad K. Sangma, the Hon'ble Chief Minister of Meghalaya, in the presence of Shri. Rakkam A. Sangma, the Hon'ble Minister of Education, Government of Meghalaya. With the inauguration of the E-Cell, the -Innovate 3-Day Design Thinking Workshop was also organized from the 8<sup>th</sup> – 10<sup>th</sup> February, 2024 to launch our student entrepreneurs into the basics of starting a business and to foster a collaborative environment between academia and industry experts.
