

Vocational Training Courses (VTC)

Vocational Training Courses (VTC) are practical, skill-based programs to impart students practical training for jobs, self-employment, or technical work. The programs were introduced in Williamnagar Government College in 2024 as part of the NEP 2020 curriculum. The VTC subjects offered in Williamnagar Government College are Bakery and Confectionary, Food Processing, Organic Farming, Bee Keeping and Carpentry for the 3rd, 4th and 6th semester students.
