**IQAC Report Summary on Faculty Development Programs**

Faculty Development Programs aim to improve teachers' knowledge and skills through orientation programs, induction programs, refresher courses, workshops, seminars etc. They provide opportunities for teachers to engage in research and learn about recent trends in their respective fields. The Institution encourages and supports its faculties for capacity building through these need-based training programmes.

The objective of this report is to provide an overview of the number of teachers who participated in Faculty Development Programmes, highlighting the types of programs attended. Below is a summary of total number of teachers attending Professional Development Programmes online/off-line viz., Orientation/Induction Programmes/Refresher Courses/Short Term Courses during the May 2023 to June 2024.
