Introduction:

The Institutional Project Implementation Committee (RUSA Cell), Williamnagar Government College was constituted in the year 2016 to implement programs under Equity Initiatives, funded by RUSA, MHRD, and Government of India with an aim to look after the quality improvement and developmental needs within the campus. This Committee has been entrusted to bring quality improvements in teaching learning process in order to produce employable and quality graduates. This Committee plans and organizes different programmes to enhance the teaching-learning and overall personality development of students in the college.
